

# Ronald Reagan High School Reagan Expansion Campaign

Serving a diverse student body since 2003, Ronald Reagan High School students have become successful, shining stars in and beyond Milwaukee. Education at Reagan is aligned to the rigorous, globally-recognized International Baccalaureate Programs which prepare teens for life, college, career and beyond.

The time is overdue to provide the students and faculty with a suitable campus that will improve the outdated middle school facility that fails to meet 21st century needs. Our expansion campaign will provide funds to create a building appropriate for this world class high school's academic and athletic needs.

**Our students deserve the best opportunities to succeed!**

Campaign Goal: \$22 Million

**FUNDS NEEDED: \$13 Million**

## PHASE I - \$10 MILLION RAISED

Milwaukee Public Schools has committed \$9M in public dollars, the largest dollar amount of its Emergency Relief funds designated to a single school.

- Additional STEM Labs and Science Wing - \$2.1M
- Gymnasium improvements for High School athletics use, including wood floor, audio system, and more
- Team rooms and team lockers
- Fieldhouse lobby, concessions stand, and bathrooms

## PHASE II - \$4 MILLION (by Fall 2022)

Private funding is needed for Phase II of the campaign.

- Site preparation for construction of Fieldhouse

In 2021, Reagan High School was the only high school in the state to receive all three gold awards for **reading**, **math**, and **behavior** from the Wisconsin Response to Intervention (RtI) Center.

*Reagan students **earned** this Triple Gold award...they **deserve** the best.*

## WHY ATHLETICS?

- \* Reagan tennis teams have never hosted a home match.
- \* The track team is likely the only team in the state that never sees a track before their first competition.
- \* Wrestling practice is held in the cafe, and cheerleading practice is held in the gym hallway.
- \* 8 of 13 sports offered at Reagan require students to be bused to alternative practice locations.

Turf Facility Exterior

As part of this Expansion Campaign, MPS has invested over \$2M to outfit the school with state-of-the-art STEM Labs and a Science Wing. An investment in Reagan's Gymnasium, Fieldhouse, and outdoor athletic spaces will:

-  Support the physical, mental, and social well-being of its students
-  Create a destination neighborhood that is revitalized and welcoming
-  Fuel the region's immediate and future talent pipeline

*These improvements allow Reagan's academics to remain cutting-edge and transform its campus into a comprehensive high school educating the whole student for lifetime success.*
