Notes

- Details on student achievement calculations can be found at <https://dpi.wi.gov/accountability/resources>
- Student Achievement is based on Wisconsin Student Assessment System (WSAS) results for full academic year (FAY) students in all tested grades in the school.
- Scores are based on student performance on WSAS mathematics and English language arts statewide assessments.
- Points displayed in the tables above are weighted so that larger numbers of students and more recent years contribute more to the score for the Priority Area.

Notice of Educational Options

State law (Act 55) specifies that annually every public school, including charter schools, and each private school participating in a Choice program is to provide parents with a copy of their school report card and a list of their educational options, including the Special Needs Scholarship Program. The district is providing parents or guardians access to these options through the links provided through the Wisconsin Department of Public Instruction.
